

Diploma Course - Financial Accounting

Department - Bachelor of Accounting & Finance

Class - SYBAF

Course Summary

Course Title	Financial Accounting
Course Objectives	This course is intended for first time students of financial accounting at undergraduate or graduate level or those who have been exposed to financial terms but haven't had a chance to learn in a structured manner. Through well-curated content that progressively builds on conceptual learning, the course will enable a student to read and analyze financial statements of a business. The focus is to train the student on principles of accounting that drive preparation and presentation of financial statements.
Course Outcomes	At the end of this course, a student will be able to understand how financial data is generated and how it can be converted into useful strategic information for stakeholders in a business.
Duration	12 Weeks
